

UNIVERSITY OF EMBU

OFFICE OF THE DEPUTY VICE-CHANCELLOR (ACADEMICS, RESEARCH & EXTENSION)

INTERNAL MEMO

FROM: Deputy Vice-Chancellor (ARE) **DATE:** 3rd May, 2019
TO: ALL STUDENTS **REF:** UoEm/DVC(ARE)/STA/VOL.4/066
SUBJECT: MISLEADING INFORMATION FROM UNSCRUPULOUS INDIVIDUALS

It has been drawn to my attention that there are unscrupulous individuals circulating misleading/incorrect information to University of Embu students through text messages. The information doing rounds in the form of sms messages as well as on social media are purporting to invite first year students of the University of Embu for biometric registration on 7th May, 2019.

This is therefore to inform all University of Embu students to take note of the following:

1. ALL communications from the University to students are usually through official memos from the office the Deputy Vice-Chancellor (Academics, Research and Extension) and posted on the University website and or notice boards.
2. Any information from avenues that are different from the above-mentioned is FALSE and should be treated as an effort to mislead/con members of the University Community.

While the University is pursuing this matter, I urge all students to remain vigilant and subject all information received to sufficient scrutiny to avoid any inconvenience or loss of funds. Any such requests should be ignored and reported to the University Security Office for appropriate action.

Enquiries on University services can be directed to any of the following offices:
